

Directions to the Jude Gidney Photography Studio

1st level,
Woodend Mill, Artist Studios,
Manchester Road,
(Bottom) Mossley,
OL5 9AY

By Car

- Take the A635 Manchester Road that runs between Aston-under-lyne and Greenfield.
- When you get near the Mill, look for the *WOODEND TAVERN Pub*. Also look out for lots of signs on the road side (WARMCO, Gordon Clegg, Woodend Garden Centre.....).
- Take the lane ***between the Pub and the signs***. This takes you to a car park in front of a big Mill with a chimney.
- Park here.
- To the left of the car park, towards the tunnel, is a small flight of steps into the mill.
- You should be able to follow signs for the studio after that.
- ***If you are visiting AFTER 6PM the front door of the Mill WILL BE CLOSED. Please ring 0775 9599134, wait at the entrance and I shall come to find you.***
- Give me a call if you have any difficulties – **0775 9599134**

By Train

Alternatively take the train to Mossley Station on the Manchester to Huddersfield line from Victoria, Manchester –turning left out of the station, the studio is literally 5 minutes walk away on the other side of the road (see directions above).
